Coffee County EMA director says COVID-19 numbers looking better at end of September

Coffee County EMA director James Brown continuously provides updates for the community concerning the COVID-19 virus. Last Friday, Oct. 1, he reported things were looking a bit better regarding cases and hospitalizations to start the new month.

"Both our cases and hospitalizations continue a steep downward trend from our update on Sept. 20th," Brown said. "However, our test positivity rate has only dropped slightly leaving

Coffee county rated as a 'high' community transmission rate on the ADPH surveillance dashboard."

As of last Friday, Brown said there had been a dramatic decrease in hospitalizations over the last month in Alabama, going from 2,890 in the hospital due to COVID on Sept. 1, 2021 to 1,321 hospitalized on Sept. 30, 2021.

"This is a 54 percent reduction in hospitalizations," Brown said.

Regarding deaths, how-

ever, he said it can take several weeks to process and ensure cause of death, but as the hospitalizations had come down over the month, the death rate [associated with the virus] continued to rise.

"On Sept. 1st we showed 145 total deaths in the county due to COVID-19, and on Sept. 30th we showed 182 deaths in the county," Brown said. "That is an

Jack Day Festival brings crowd to ZC community

by Linda Hodge, Editor

Altrusa International of Jack, Alabama hosted its 18th annual Jack Day Festival last Saturday, Oct. 2, in the Zion Chapel community.

Britley Parker, an Altrusa of Jack member, said this was a highly successful

event for the non-profit organization with some 30 different vendors on site, along with approximately 80 cars on display for a car show.

"The Jack Day Festival is really our only fundraiser for the year," Parker said. "As a service organization, Altrusa recognizes literacy as its mission, and our local club promotes literacy through various projects."

Some service projects funded by Altrusa of Jack include: awarding three monetary scholarships per year, buying books for the local daycare, sponsoring

Christmas families and purchasing Bingo prizes for the senior citizens center, along with making purchases for the library at Zion Chapel School.

"We had a great day last Saturday," Parker said. "From our arts and crafts festival and events such as the car show, cow patty drop, there was just lots of fun to be had for a good cause."

There also was lots of local entertainment throughout the event, Parker said. She thanked everyone who played a part in making Jack Day a huge success for Altrusa.

These three Elba students received special recognition last Friday, Oct. 1, when they were announced as the recipients of 'Good Citizen' and 'HOBY' awards. Three Elba students recognized by their teachers for leadership and service skills

Three Elba High School students received special honors last Friday, Oct. 1, when it was announced they had been chosen for various leadership awards.

Seniors Whit Shehee and Callie Pope were named the Elba High School honorees for the EHS Good Citizen and DAR Good Citizen awards. Shehee is the EHS Good Citizen for 2021 while Pope is the DAR Good Citizen for Elba High School.

Pope's DAR Good Citizen nomination now will be pitted against other DAR Good Citizens from the schools in Coffee County, and the county-wide winner will be announced later this year by the local DAR [Daughters of the American Revolution] chapter.

The DAR Good Citizens Award and Scholarship Contest was created in 1934 and is intended to encourage and reward the qualities of good citizenship. The award recognizes and rewards individuals who possess the qualities of dependability, service, leadership, and patriotism in their homes, schools and communities. The EHS award follows the same qualifications as the DAR Good Citizens award, according to Elba High School principal Wynn Grimes.

"Whit and Callie were nominated by their teachers because they demonstrate the qualities of the award on a daily basis," Grimes said. Shehee, the son of Kelly and Kayron Shehee, said it was an honor to be chosen to be the EHS Good Citizen

for his senior class, his school and his community.

Pope, the daughter of Aaron Pope and Martha Pope, said she too is honored to be named the DAR Good Citizen. As she moves into the scholarship contest portion of the Good Citizen program by competing against other DAR Good Citizens from across Coffee County, she said she hopes she represents Elba in a way that is deserving of the award.

Also, recognized last Friday at Elba High School was sophomore Brayden Johnson as the 2021 recipient of the HOBY award for Elba High School. He is the son of Jason and Shelia Johnson.

HOBY was founded by Hugh O'Brien in 1985 as a "non-profit organization with a mission to inspire a global community of youth and volunteers to a life dedicated to leadership, service, and innovation." For more than five decades, HOBY has inspired young people to make a difference and become catalysts for positive change in their home, school, workplace, and community.

Like Shehee and Pope, Grimes said Johnson also was nominated for the HOBY award by his teachers. He will attend a conference at the end of the school year and will be eligible for a \$1,000 scholarship upon completion of the HOBY conference.

"We are very proud of these three students," Grimes said. "They are the epitome of the type of leaders we want our young people at Elba City Schools

to become as they grow into adulthood. Each is a leader in the classroom, in extracurricular activities, and more, and they are great examples for our younger students."

"There comes a time when you do have to give up what you consider your individual right of making your own decision, for the greater good of society." President Biden's chief medical advisor Dr. Anthony Fauci supporting vaccine mandates

The Democrats have a plan to have banks report all transactions from \$600 up (both inflow and outflow), but it has raised some privacy concerns. However, we see the largest problem being the massive pile of information that would include! In fact, the IRS would have to hire thousands of clerks just to look at all the checks that go through the banking system every day and then match them to IRS tax return files! This would be a nightmare in both human manhours and computers with the ability to digest all that information and then to know exactly what to do with it. We thought banks already had to report transactions over \$10,000 to someone "up there" so maybe if they need more information to catch tax cheaters, drop that number to \$5,000. It would be a hundred times easier to manage and would improve the tax cheater trails to follow.

There is still no decision on what has become regular business in the US House and Senate and that is raising the debt limit. It is the Democrats against the Republicans – again. We saw some numbers on this process a few days ago. Wish we had copied it down. Anyway, each party has been in power multiple times when this action was taken. Also, each time the political party NOT in power blames the other side for the mismanagement of the money.

There is continuing talk in Washington about taking the Social Security program private with the individual having control over investing the funds. That is not a good idea. Of course it would not impact us already on Social Security, just the younger folks. What would happen is many people would get bad advice/invest in dumb shaky things/ lose much or all of their retirement funds and expect the government (taxpayers) to bail them out, adding one more family to the welfare rolls.

Each of us can cite disasters and other major events that have rocked our little world. Monday morning (or maybe Sunday evening) a widowed weekly newspaper owner we know unfortunately put many of us to shame in that department. Her adult grandson took her pistol, crawled under her office desk and took his own life. Add that unimaginable event to a crushing list of unhappy events in a good person's life and our reaction was "Her trials and tribulations would make the bible story of Job's hardships take a back seat!" For years she has been banking on him to like the newspaper business enough to be the family member who kept the paper in the family.

Be safe, wear your mask, social distance, wash your hands AND get the shot(s)!

Helping Elderly People Through Grief

One of the toughest things about growing old is experiencing so much grief, watching close friends and family members pass away. This grief takes a toll and can often leave elderly people feeling chronically depressed.

If you have an elderly family member who's experienced some intense grief, there are a few ways you can help them shoulder their burden. The best thing you can do is be there to listen to them. If they bring up their deceased friend and seem like they are eager to talk, engage them with some questions. Ask them to share some favorite memories of their friend. By the same token, though, it's important to let your elderly family member steer the discussion—and if they seem reluctant to talk, don't force it on them.

Often, it's meaningful just to spend time with your elderly family member. Find an activity that you can do together, even if it's as simple as working a puzzle, going for a brief walk, or sitting down to enjoy a cup of coffee. Help them occupy their time and attention, and to see that they're not alone.

It's also important that you ensure your elderly family members take care of themselves. Grief can sometimes cause individuals to forsake regular meals or to have a hard time sleeping at night. Ask your loved one how they're doing and encourage them to take care of themselves as best they can. You can help by offering to bring them food, take them out to a favorite restaurant, or simply keep them company as they go out for some fresh air and a change of scenery.

Grief is hard at any age, and those who are a bit older may feel it more acutely. There are steps you can take to help them, though, and to give them someone to lean on during their season of bereavement.

Playing it safe isn't always safe!

Author Eileen Guder writes the following about our tendency to play it safe rather than living the life we really want by taking risks and going for it:

"You can live on bland food so as to avoid an ulcer; drink no tea or coffee or other stimulants in the name of health; go to bed early and stay away from night life; avoid all controversial subjects so as never to give offense; mind your own business and avoid involvement in other people's problems; spend money only on necessities and save all you can. You can still break your neck in the bathtub and it will serve you right."

Ouch! Does that hit a little too close to home?

I used to think that I could "manage" my life in such a way as to limit exposure to anything bad happening to me. I don't know where I got such an idea. But I discovered it didn't work. For one reason, there was this little issue of other people and what they did or did not do that seemed to always upset my safe and predictable world. If they would only do what I wanted them to do, I thought, how much better my world would be. But do you think they would?

Another problem I discovered with my play-it-safe mindset or "living on the downside", as I started calling it, is that it's not a very courageous or fun way to live life. Re-read that Guder quote. Honestly now, would you say that her words describe the kind of life that you have been dreaming about your entire life? Have you ever heard of someone who put off travel, a vacation, or something they really wanted to do in the name of prudence or timing or the calling of work or money (and the lack thereof) only to come down with cancer and die a month before they started drawing Social Security? It happens!

I discovered that "living on the downside" is going in the wrong direction (there's a reason it's called downside) and doesn't really have much of an upside. In fact, I found it to be a negative, fearful way to live life.

Jesus tells an amazing story in Matthew 25:14-30 of three men, each entrusted by his master with taking care of some of his property. One received five talents (a unit of money; one talent = 6000 denarii: 17+ years of wages. Wow!), the second received two talents, and the last one received one. And incidentally, each received the amount he did "according to his ability." And then the master went on a journey.

Read the full story. The men who received five and two talents put the money entrusted to them to use and each doubled his investment. Don't miss the point that there wasn't a certain quota that had to be met. Both received the same praise and reward when the master returned: "Well done good and faithful servant!" We are told that the one talent man, however, "went off, dug a hole in the ground and hid his master's money." In explaining his actions, he said, "...I was afraid and went and hid your talent in the ground." To put it mildly, the master was not pleased. Put another way, playing it safe was definitely not the safe thing to do for the one talent person.

The point of the story seems to be to use what we've been given. Engage. Go for it. Don't be fearful and make decisions based on negative, wrong-headed thinking. Be prudent and wise, for sure, but don't hold back. The only criterion seems to have been, "Be faithful to use what you've been given like the Master would."

Each of us has but one life to live. What are you doing with what you have been given? Are you going for it? Investing your life wisely? Or have you dug a hole and buried who you really are out of fear, thinking it better to just play it safe?

The late cartoonist Charles Schulz, creator of the comic strip Peanuts, put it this way: "Life is like a ten speed bicycle; most of us have gears we never use."

Remember: Playing it safe isn't always safe!

ELBA QB CLUB PLAYERS OF WEEK...Elba football Coach Marc Sieving recognized three players Friday, Oct. 1, at the Elba Quarterback Club's weekly 'Game Day' lunch meeting – two were recognized as "Players of the Week" from their performance in the Providence Christian game while the third player was recognized for his output during practice last week as the Tigers prepared to take on Geneva County in a key region game. Alvin Henderson (left) was recognized for the work he put in at practice last week. Coach Sieving said he and the other coaches had challenged Henderson to be their "#4" last week and help get the Tigers defense ready for Geneva County, and he said he Henderson really stood out in practice. J T Coleman (center) was named the Offensive Player of the Week for his play in the Providence Christian game. Coach Sieving said Coleman had some really great runs in that game leading the offense as he touched the ball 17 times on offense going 170 yards and scoring two touchdowns. Collin Sauls (right) was named the Defensive Player of the Week for his performance against Providence Christian. Coach Sieving said Sauls was moved from defensive end to linebacker this year for the Tigers, and he had really made some strides as the season progressed. He noted Sauls accounted for six tackles in the Providence Christian game, which helped in allowing only 6 points to be scored by the Providence team in the game.

Listen Carefully

I was in my truck listening to a new CD when I noticed a strange percussion instrument. The beat was out of place. The doink sound was annoying and didn't work well with the hymn "Whisper a Prayer." The song ended, but when "Morning Had Broken" started playing, there was that percussion beat again! I turned up the music, and the misplaced beat faded. I drove home with the radio at full volume, no doink to be heard. But, when I pulled into my driveway and turned the radio down, the sound returned! Then I saw the seat belt warning light flashing. If I had fastened my seat belt, the percussive warning would have ended. I had ignored a warning that I was in danger. Like Zedekiah, I looked for

solutions to the problem I thought I had instead of perceiving the real danger. What discord in your life is warning you about danger? – C.T.

crease of 37 in a month. Since the start of this current wave at the beginning of July, we have added 54 total deaths so far."

Cases do seem to be dropping, however.

Brown said Alabama is averaging about 1,000 new cases per day, according to the ADPH NAAT test numbers. He said that is a drop of more than 800 per day from the Sept. 20th report from his office.

As for Coffee County, Brown said the ADPH Data and Surveillance dashboard was showing 66 positive NAAT tests in a seven-day period [for a little over nine per day] compared to 101 cases in a seven-day period on Sept. 20th.

"We continue to concentrate our planning based on positivity rate, which gives us an idea of community transmission," Brown said. "We have seen a slight decline in this rate as well. Our current positivity rate for Coffee County is 16.4 percent - that is down from 17.2 percent at last report."

He said, however, officials would like to see the positivity rate number below 5 percent.

As of the Oct. 1st report, Brown said 52.7 percent of the eligible population in Alabama had received at least one dose of the COVID vaccine while 42.6 percent had been fully vaccinated.

"Our vaccination rates in Coffee County seem to have also gone up again," he said. "We have 39.2 percent completing at least one dose and 32.2 percent completing their series. Last report, these numbers were 38.23 percent and 30.80 percent respectively."

Moving forward, he said the message remains the same...social distance, wear masks, sanitize, and get vaccinated.

The October meeting for the DAV Wiregrass Chapter 99, located in New Brockton, will be Thursday Oct. 28, at 6 p.m., in the New Brockton Senior Center. Those attending are asked to bring a covered dish. All active-duty military and veterans are invited.

Our grandson Lawson joined his Mom and his Nanny for one last trip to the beach last weekend and from the looks of the pictures had a good time splashing in the water and kicking sand on his fellow travelers. I'm sure the trip was more his Mom's idea than his, but Lawson does love the beach and will never pass up the chance to head down to the gulf.

For what it is worth....

*** *The Elba Tigers kept their region title hopes alive* last week with a big 47-7 road win over Geneva County that improved the Tigers record to 6-1, 3-1 in region play. The Tigers offense ran up and down the field against a Geneva County defense that packed the line of scrimmage in an attempt to stop the run-happy Tigers, but once Elba's speedy backs broke through the line it was off to the races. The Elba defense had another big night with four turnovers, and came up with big plays at just the right time to keep their opponents out of the endzone. The only drawback in the win was the fact the Tigers were flagged 16 times for over 150 yards and had three touchdowns called back due to penalties. I too had my doubts about some of the flags, but if the officials are going to throw the flags it is the job of the Elba coaches and players to figure out just what is going on and make sure it stops. Hey, it was a big region win on the road and one that keeps the Tigers in the hunt for the region title.

*** *It was a so-so week for teams in the area* as Kinston and Brantley posted wins and New Brockton and Zion Chapel both dropped region battles. Here's a quick look back....

** *Kinston rallied from a 14-point deficit* to run down the Florala Wildcats 35-20 to give their playoff hopes a shot in the arm. The Bulldogs were down early and many thought they were in trouble, but they simply turned to the running game behind the physical offensive line and ran down the Wildcats to move into second place in the region standings.

** *Brantley showed it was much more* than just a one-man show as the Bulldogs rolled over Samson 46-18 in a game in which all-state quarterback Tucker Kilcrease made an early exit due to an injury. The loss of the standout quarterback was felt, but the Bulldogs simply pulled out the next standout quarterback in line and kept on rolling.

** *New Brockton saw its playoff hopes* all but end with a 35-7 region loss to Slocomb, in a game that saw the Gamecocks throw eight pass interceptions. The Gamecocks had high hopes after last week's win to knock off the Red Tops and move up in the region standings, but the loss was the third for 'Brockton this season in the region and may be the straw that breaks its post-season hopes.

** *Zion Chapel never really had a chance* in a 49-0 loss to region power G.W. Long and is now just trying to improve and ignore the scoreboard as the Rebels begin the homestretch of the season. The Rebels never quit and never back down, but this season simply don't have the horses to run with the top teams in a talent-rich region.

*** *The seventh week of the high school football season* is in the books and it was yet another wild week of action all across the state. A few notes worth mentioning are that 7A Thompson has now won 25 straight games and this season has outscored its victims 359-9; 3A Montgomery Catholic has already posted five shutouts and has outscored its victims 349-13; Fyffe has now won 50 straight games; Columbia has now lost 59 straight games; and, Brindlee Mountain has now lost 54 straight region games. Now on to the week that was....

** *Class 1A* – Top-ranked Brantley outscored Samson 46-18 and #2 Sweet Water rolled over Southern Choctaw 48-6, while #9 Loachapoka fell hard to Notasulga 32-12. Closer to home, McKenzie clobbered Pleasant Home 40-6 and Red Level sneaked past Georgiana 22-14.

** *Class 2A* – #1 Clarke County embarrassed Washington County 74-0 and #2 Lanett rolled past Vincent 47-6, while #6 Falkville lost to Section 21-6, #9 Southeastern lost to Cleveland 49-0 and #10 Colbert County lost to Mars Hill 25-20. Closer to home, Arifton pounded Abbeville 49-6, Cottonwood outscored Houston County 36-22 and Luverne humbled Calhoun 45-0.

** *Class 3A* – Top-ranked Fyffe blasted Plainview 45-19 and #2 Piedmont was knocked off by Ohatchee 28-24, while #4 Flomaton was upset by Bayside 28-21 and #8 Plainview lost to top-ranked Fyffe. Closer to home, Goshen remained winless with a 60-0 loss to Dadeville, Pike County remained winless with a 63-0 loss to Montgomery Catholic, and Opp hammered Providence Christian 41-18 to stay on a roll.

** *Class 4A* – Top-ranked Handley snuck past Jacksonville 35-20 and #2 Madison Academy rolled over Randolph 42-16, while #5 Williamson lost to Jackson 30-12, #7 West Limestone lost to Brooks 27-20 and #8 Central Florence lost to West Morgan 27-24. Closer to home, Ashford fell hard to Alabama Christian 55-16, Dale County knocked off Bullock County 33-12 and Geneva handled Straughn 34-21.

** *Class 5A* – Top-ranked Pike Road clobbered winless Charles Henderson 60-6 and #2 Pleasant Grove barely got past Fairfield 27-25, while #9 faith fell to UMS-Wright 34-26. Closer to home, Andalusia coasted past Headland 41-2 and Greenville spanked Rehobeth 40-14.

** *Class 6A* – Top-ranked Spanish Fort was upset by Saraland 28-16 and #2 Clay-Chalkville rolled over Jackson-Olin 46-14, while closer to home Eufaula blanked Valley 33-0 to end a skid and Robert E. Lee clubbed Carver 33-16.

** *Class 7A* – Top-ranked Thompson continued to roll with a 49-7 win over Vestavia Hills and #2 Hoover dumped Hewitt-Trussville 34-10, while #3 Auburn lost to Central Phenix City 21-7 and #9 Enterprise missed a late field goal in a 17-16 loss to Prattville. Closer to home, Dothan picked up a rare win with a 29-15 victory over 5A Carroll.

*** *Before we leave the high school news*, a look at the region standings involving area teams showed many area fans can make plans to hang around after the regular season draws to a close. In Class 2A, Region 3, Arifton sits atop the standings with a 4-0 slate, followed closely by Elba and G.W. Long at 3-1. It looks like Geneva County has locked down the #4 seed despite some late-season losses. In Class 1A, Area 1, the Brantley Bulldogs are headed for another region crown, while in somewhat of a surprise Kinston and Samson are both 3-1 and also appear to be in the post-season party, while Red Level, Florala and McKenzie appear to be battling for the #4 seed. Up in Class 3A, Area 2, Opp stands 4-0 and Wicksburg stands at 3-0 and appear to be the clear cut favorites, while Houston Academy and Slocomb are in a fight for the bottom two seeds.

*** *Ye Ole Polish Prognosticator* said the referees over in Hartford last week had more flags than the Elba band and then just shook his head about the Tigers having touchdown runs nullified on consecutive plays. Oh well, that's life on the road! The local guesspert hit on 33 of his 37 picks last week and left this week's fearless forecast. Here goes....

ELBA VS. ABBEVILLE

The Pea River felines will be back home this week and will be trying to avoid being stung by a mess of yellow jackets that will be hiding somewhere near the field. The felines may get stung a time or two, but not enough to make a big difference as they roll along.

ELBA 45 ABBEVILLE 16

NEW BROCKTON VS. NORTHSIDE METHODIST

The roosters from over near the four-lane had all kind of

problems last week and are now playing for pride as they head back to the roost for a match-up against some men in armor from over near the circle city. While the roosters should win this one without much trouble, it will depend on just how bad they really want it.

NEW BROCKTON 35 NORTHSIDE METHODIST 20

ZION CHAPEL VS. ARITON

The troops from up at Fort Jack will be out hunting for a litter of funny colored kitties late in the afternoon on Friday and have hopes to make some fur jackets for the winter. These kitties may not be too hard to find, but won't be in any mood to give up any fur.

ARITON 45 ZION CHAPEL 0

KINSTON VS. MCKENZIE

The bulldogs from own near the county line will hitch-hike up the road this weekend looking to wrap up a playoff berth, but will find the going a little tough as a litter of kitties hang out near the campgrounds where they plan to stop. It will be a four quarter battle, but in the end the guess here is the 'dogs survive.

KINSTON 28 MCKENZIE 26

BRANTLEY VS. GEORGIANA

The bulldogs from up across the river will be back at the pound hosting a litter of kitties that haven't eaten for a couple of weeks. The 'dogs may throw the kitties some leftovers after the game, but only enough to make the trip back home.

Tigers host Abbeville in must win region clash

Area teams face key region

matchups in week #7 action

The Elba Tigers will continue their late-season run toward a region title on Friday night when they return home to host the Abbeville Yellow Jackets, at Tiger Stadium.

Elba leads the all-time series 7-3-1, but lost last year in a shootout 48-42.

"Abbeville lost a lot of players off last year's state runner-up team," stated Elba Tiger head coach Marc Sieving, "but still has a lot of very talented players on its roster and is still a very dangerous opponent. They are good at what they do and force their opponents to step up and play to a high level. I know their record isn't very impressive, but three of their losses were to 5A Headland, Geneva County and Arifton. This is a team that has the potential to defeat any team on its schedule on any given night, and we have to make

sure this isn't the week they wake up and put it all together."

Elba will bring a 6-1 record into the contest, 3-1 in region play, with wins over Daleville 41-14, Opp 33-28, Zion Chapel 48-12, Cottonwood 54-24, Providence Christian 27-6 and Geneva County 47-7, and a lone loss to G.W. Long 35-16. Abbeville will carry a 1-4 record into the region clash with a win over Zion Chapel 48-18 and losses to Headland 13-6, Cottonwood 57-24, Geneva County 49-6 and Arifton 49-6.

"Last week's win over Geneva County was a big road win and kept our goals in place," said Sieving. "We had a lot of players step up and make big plays on both sides of the ball, but we made way too many mistakes and were penalized sixteen

times that resulted in three scores being nullified. We have to clean that up if we are going to win against

quality opponents, and we will get right back to work to prevent that from happening again."

The Elba Tigers continued their run toward a region title Friday night with a big 47-7 win over the Geneva County Bulldogs, at Dixie Howell Stadium, in Hartford. Elba wasted little time taking command in the key region clash as the Tigers received the game's opening kickoff and went 47 yards in four plays to get on the scoreboard. Alvin Henderson capped the scoring drive with a 35-yard touchdown run, and Alex Wisecup kicked the extra-point as Elba grabbed a 7-0 lead with 10:35 remaining in the first quarter.

The Tigers were forced to punt on their second series, but regained possession at the Geneva County 28-yardline on a fumble recovery by Trent Hamilton and from there needed four plays to cash in the turnover. Henderson gained 22 yards on two carries to move the ball within the shadows of the goal post, while the touchdown came when Kyle Smith recovered a fumble in the endzone after an Elba runner fumbled just before crossing the goal line. Wisecup added the extra-point, and with 11:50 left in the second quarter the Tigers were on top 14-0.

Geneva County began its ensuing possession at its own 41-yardline and brought its homecoming crowd to their feet as the Bulldogs marched 59 yards in nine plays to get on the scoreboard. A 16-yard gain on a screen pass from Jackson Stewart to Jose Martinez was a key play in the scoring drive, and it was Martinez that capped the drive with a 4-yard touchdown dash. Hunter Adams kicked the extra-point as Geneva County pulled within 14-7 with 6:42 left in the quarter.

Elba began its ensuing possession near midfield and this time needed only one play to add to its lead as on first down Chrystyle Caldwell took a direct snap and rambled 49 yards for a score. Wisecup added the extra-point as the Tigers lead grew to 21-7 with 6:25 remaining on the clock.

The Elba defense stopped a Geneva County scoring threat at the Tigers 17-yardline late in the half on a pass interception by Peyton McCart, and the Tigers promptly went 83 yards in seven plays to open up a three touchdown advantage. A 21-yard run by Chrystyle Caldwell was a key play on the long scoring drive, while the score came on a winding 50-yard spring by Alvin Henderson. Wisecup's extra-point split the upright and with 29-seconds left in the half Elba was in charge with a 28-7 lead.

Elba failed to overcome twenty yards in penalties on its initial possession of the third quarter, but regained possession at the Geneva County 35-yardline after Peyton McCart's second interception of the game, and cashed in the turnover to extend its lead. Alvin Henderson had consecutive runs of 35 and 39 yards for touchdowns wiped off the scoreboard by penalty flags, but the Tigers kept plugging way at the Bulldog defense and finally got back in the endzone when on fourth down Henderson broke a tackle and scored on a 32-yard dash. Alex Wisecup kicked the extra-point as Elba's lead grew to 35-7 with 2:02 remaining in the third quarter.

Elba got a break when what appeared to be a long touchdown run by Jackson Stewart turned into a touchback when the Bulldog quarterback fumbled the ball at the five-yardline and then kicked the loose ball out of the endzone, and once again the Tigers turned a Bulldog bobble into points as they went 80 yards in five plays to cash in the turnover.

Brayden Johnson rushed for 31 yards on two carries to help lead the Tigers down the field, while the score came on a 48-yard touchdown toss from Johnson to Byron Burks. A low snap foiled the extra-point try, but with 10:00 left in the fourth quarter Elba's lead had ballooned to 41-7.

The Tigers final possession of the night began at their own 45-yardline after a Bulldog punt, and it took the Tigers one play to put more points on the scoreboard as on first down Byron Burks took a handoff and raced untouched 55 yards for a touchdown. The extra-point try failed, but with 3:56 remaining on the clock Elba had put the finishing touches on the big 47-7 region road win.

Alvin Henderson rushed for 182 yards and 3 touchdowns on 11 carries to lead the Elba offense, while Byron Burks rushed for 89 yards on 4 carries and caught a 48-yard touchdown pass, Chrystyle Caldwell rushed for 76 yards and one td on three carries, and JT Coleman rushed for 65 yards on nine carries. Brayden Johnson completed 2 of 5 passes for 49 yards, with Burks pulling in a 48-yard td toss.

Chrystyle Caldwell had 10 tackles to pace the Tigers defense, while Peyton McCart added 7 stops and two pass interceptions, and Trent Hamilton added 4 stops and a fumble recovery.

Jose Martinez rushed for 63 yards and one touchdown on 13 carries and caught one pass for 16 yards to lead the Bulldogs, while Ken'li Preyer added 42 yards on seven carries and David Payne caught three passes for 32 yards.

Elba Tiger Trent Hamilton (21) goes low to make the stop on a Geneva County runner. The Tigers will host Abbeville Friday night in a key region contest on Mack Wood Field.

Elba Tiger Alvin Henderson (6) is off and running. Henderson rushed for 182 yards and 3 touchdowns in last week's 47-7 region road win at Geneva County.

The Kinston Bulldogs took a giant step toward locking down a playoff berth Friday night with an exciting 35-20 region win over the Florala Wildcats, in Florala.

The Kinston defense rose up and stopped an early Florala scoring threat at the Bulldogs 11-yardline, but the Wildcats regained possession near midfield after a Kinston punt and this time went 51 yards in eight plays to get on the scoreboard. A 20-yard pass from Rayshon Coleman to Austin Howell was a key play in the scoring drive, while the touchdown came on a 20-yard touchdown toss from Howell to Elijah McMeans. Dalton Jackson kicked the extra-point, and with 3:15 left in the first quarter the Wildcats were on top 7-0.

Florala began its next series at its own 13-yardline after a Bulldog punt and this time needed only one play to reach paydirt as Austin Howell broke loose and rambled 87 yards for a touchdown. The extra-point by Jackson was true, and with 55-seconds remaining in the quarter the Wildcats were on top 14-0.

Kinston's Blake Senn returned the ensuing kickoff 55 yards to set the Bulldogs up at the Florala 11-yardline, and on the

first play of the possession Jeb Crosby got the call and scored on an 11-yard dash to put the Bulldogs on the scoreboard. John Free kicked the extra-point as Kinston cut the Florala lead to 14-7 with 40-seconds remaining in the opening quarter.

Florala padded its lead to 20-7 with 5:19 left in the second quarter when Austin Howell returned a pass interception 53 yards for a Wildcat touchdown, but the Bulldogs battled back and went 49 yards in three running plays to cut into the deficit. Jeb Crosby got the call on all three plays, and capped the scoring march with a 35-yard run. Free added the extra-point as Kinston cut the 'Cats lead to 20-14 with 4:15 left in the half.

Kinston received the second half kickoff and promptly marched 67 yards in eight running plays to grab its first lead of the game. Jeb Crosby rushed for 46 yards on six carries and scored the Bulldogs touchdown on a one-yard sneak, and John Free added the extra-point as Kinston went on top 21-20 with 7:54 remaining in the third quarter.

Florala kept the football for over six minutes on its ensuing series before being forced to punt, and Kinston took the punt and headed right back down the field as the Bulldogs marched 86 yards in 10

running plays to extend their lead. Jeb Crosby was again the lead 'Dog for Kinston as he rushed for 59 yards on nine carries and capped the long scoring drive with an 18-yard scoring dash. Free again added the extra-point as the Bulldogs upped their lead to 28-20 with 9:05 left in the fourth quarter.

The Kinston defense forced a Florala punt on the game's next offensive series and then came up with a key turnover on the Wildcats next possession when Blake Senn picked off a Florala pass and returned the interception 20 yards to the Florala 47-yardline.

Kinston failed to cash in the turnover. So, the Bulldog defense decided to score a touchdown of its own, and did just that when Drew Conner picked off another Wildcat pass and returned the interception 36 yards for a score. Free capped off a perfect night with his fifth extra-point, and with 1:31 left on the clock Kinston had wrapped up the big 35-20 region road win.

Jeb Crosby rushed for 231 yards and 4 touchdowns on 33 carries to spark the Kinston offense, while Blake Senn picked off two Florala passes and Drew Conner returned an interception for a Bulldog touchdown.

Fall 49-0 in region matchup

A 'Long' night for the Rebels

Story and Photos by Linda Hodge, Editor

In a gridiron battle of the Rebels, Zion Chapel hosted GW Long last Thursday night, Sept. 30, at Green Memorial Stadium in Jack, Ala.

A large crowd was on hand for the region contest.

Zion Chapel's offense was able to move the ball on some big plays in the first half, but never was able to find paydirt against a stingy GW Long defense. Turnovers also plagued the home team throughout the night.

"Overall, I thought our team made some plays early on," Zion Chapel Head Coach Randy Bryant said. "There were some bright spots."

GW Long had no trouble finding the endzone in the first quarter as the visiting Rebels scored five times to jump out to

a 35-0 lead early. The first quarter scores came off a 30-yard pass, a 37-yard run, an 11-yard run, a 60-yard punt return, and another rushing play with just 10 seconds left in the quarter. The point-after-touchdown attempts were good on all five touchdowns in the first quarter.

While Zion Chapel's offense continued to struggle in the second quarter, the defense made some adjustments and was able to slow the high-scoring GW Long offense down.

The visiting Rebels did add two additional scores in the second quarter. With 8:24 left in the first half, the GW Long defense added six with a pass interception returned for a touchdown. The extra point attempt was good, making the score 42-0.

The final score of the half came just past the halfway point in the second quarter on a big pass play for GW Long. The extra point attempt again was good.

The 49-0 halftime score would hold up to be the final score for the night.

Neither team managed to find paydirt in the second half, which was shortened to 6-minute quarters with a continuously running clock. The second half action also was marred with turnovers by both teams.

"We must clean up some of our mistakes to be competitive in games against teams like GW Long," Coach Bryant said. "This is a tough region, and we need to be mistake free."

The loss moved Zion Chapel's season record to 0-6. Next up, the Rebels will host Arton on Friday, Oct. 8, at Green Memorial Stadium. Kickoff is set for 7 p.m.

New Brockton Gamecocks picked off by Slocumb 35-7

Statistics by Brandon Speedy White

The New Brockton Gamecocks watched a one-point second quarter lead vanish in the closing seconds of the half and never recovered in a disappointing 35-7 region loss to the Slocumb Red Tops, Friday night in Slocumb.

New Brockton threatened in the first quarter as Brayson Carr connected with Matthew Smith for 38 yards and later hit Tre Boland with a 7-yard completion to move the Gamecocks to a first down at the Slocumb 26-yardline. However, Carr was sacked for a big loss on fourth down as the Gamecocks came away empty-handed.

Carr moved New Brockton to midfield on the Gamecocks next possession on a 33-yard pass to Jaxon Whitworth, but Slocumb

stopped the drive with a pass interception and drove down the field to get on the scoreboard.

The Red Top touchdown came on a 12-yard pass from Caulin Thomas to Rashawn Miller, and while the extra-point try failed, Slocumb was on top 6-0 with 10:40 left in the second quarter.

New Brockton turned the ball over on its next two offensive series, but regained possession late in the quarter and went on a 57-yard scoring drive to take the lead. The touchdown came on a 42-yard pass from Brayson Carr to Jaxon Whitworth, and Jacob Payton kicked the extra-point as the Gamecocks took a 7-6 lead with 2:59 left in the quarter.

Slocumb took the ensuing kickoff and quickly answered the Gamecocks challenge as Thomas led the Red Tops down the field with 16 yards on two carries and Miller scored

on a 1-yard run to cap the 55-yard scoring march. Jaylen Nobles ran in the two-point conversion, and with 51-seconds remaining in the half Slocumb was back on top 14-7.

Slocumb wasn't through yet; however, as the Red Tops Body Campbell picked off a Gamecocks pass and returned it 55 yards for a touchdown with 21-seconds still left in the half, and Asael Morin added the extra-point as Slocumb went in at the half on top 21-7.

Slocumb's Jaylen Nobles got a 'pick six' early in the third quarter as he returned an interception 72 yards for a score to push the Red Tops lead to 27-7 with 10:50 remaining in the quarter, while the final score came after yet another interception, this time on a 9-yard dash by Caulin Thomas. Thomas also ran in the two-point conversion to put the Red Tops on top 35-7 with 9:26 left in the quarter, and New Brockton never threatened again as they dropped their third region contest of the season with the 35- road loss.

Jaxon Whitworth caught 2 passes for 75 yards and one touchdown to lead New Brockton on offense, while Matthew Smith had 2 catches for 41 yards, Jamarus Brown rushed for 44 yards on 14 carries and Drew Cashin added 26 yards on the ground on seven carries.

The Gamecock defense was led by Tre Boland with 6 tackles, two tackles for losses and one fumble recovery, while Drew Cashin added 8 tackles, one tackle for a loss and a pass interception; Michael Siniard added 6 tackles and one tackle for a loss; and Baylon Foster had 5 stops.
